### **Next Committee Meeting - Feb 11, 3:00 PM, Suffolk County Planning Offices, Hauppauge**

The next meeting of the LI Section Steering Committee will be held on Thursday, February 11 at 3:00 PM in the Arthur Kunz Memorial Library in the Offices of Suffolk County Planning, Hauppauge. All are welcome. Contact [LongIslandSection@nyplanning.org](mailto:LongIslandSection@nyplanning.org) for more information.

### **Scholarships Announced - Deadline Extended to Feb 16**

The LI Section has announced the availability of two Arthur Kunz Scholarships that are available to attend the APA National Conference. The Section will award up to two Arthur Kunz Memorial Scholarships to graduate students (in a planning or a planning-related field) or to entry-level planners (three years or less out of college or three years or less in a professional planning position) to attend the APA National Planning Conference in New Orleans from Saturday, April 10, through Tuesday, April 13, 2010. **NOTE: Previous applicants who were not awarded this scholarship in the past are encouraged to apply.**

The scholarship will pay for conference registration, APA membership for one year, and some additional expenses up to \$1,500 for each scholarship. In the spirit of Mr. Kunz, a Suffolk County planner and mobile workshop enthusiast, the scholarship will also fund attendance at one mobile workshop. If you are an entry-level planner that lives or works on Long Island or a student that attends graduate school or lives on Long Island, and wish to apply for a scholarship, send your resume and why you are interested in an email to [LongIslandSection@nyplanning.org](mailto:LongIslandSection@nyplanning.org). The deadline for submissions is February 16. Awardees will be notified by February 19, 2010.

### **AICP Certification Maintenance**

The Certification Maintenance (CM) reporting period is every two years. The first two year reporting period began on January 1, 2008 and ended December 31, 2009. There is a grace period which enables members to accrue & log in credits up until 04/30/10 and have them applied to the first year reporting period if needed. A total of 32 CM credits (32 hours) are required every two year reporting period including 1.5 CM ethics credits and 1.5 CM law credits. A maximum of 16 CM credits may be carried from onereporting period to the next, excluding the ethics and law requirements. So if members attended more than the required 32 credits they should still log them in and they will get credit for the following reporting period. To register credits, go to: <http://www.planning.org/cm/log/>

#### **Long Island Association Annual Meeting Luncheon - February 26, Crest Hollow Country Club**

The Annual Meeting Luncheons are LIA's flagship events showcasing nationally renowned speakers, providing insights into local, national, and Tim Russert world events. For businesses large and small, these luncheons also provide the perfect venue to network, entertain clients, and gain brand exposure in front of a large distinguished audience. On February 26, George H.W. Bush and George W. Bush will take the stage together at the Crest Hollow Country Club. Call 631-493-3034 for details. <http://www.longislandassociation.org/events.cfm>

#### **Sustainability Institute at Molloy College Green Jobs Summit - March 12**

Beginning March 12th, the Sustainability Institute Molloy College in Rockville Centre will be hosting a series of Green Jobs Summits in the Hayes Theatre. This first session focuses on defining green jobs, training for them, and getting into the field. The half-day summit will include public service, engineering, solar installers, energy auditors, legal and paralegal, cleantech venture capital, academic and industry research, teachers, educational institutions and educational tools. The keynote speaker will be Peter C. Fusaro, New York Times bestselling author of What Went Wrong at Enron. Tickets are \$50 each and sponsorship opportunities are also available. Registration can be done online here or by calling Molloy's Office of Advancement at 516-578-5000, ext 6622.

#### **Molloy College Sustainability Institute, Long Island's first LEED-ND® conference - March 23**

The first Long Island LEED-ND® conference will commence on March 23rd, 8:30 am-3:00 pm at the Sustainability Institute at Molloy College in East Farmingdale. Come to this informative work session to learn about LEED-ND®: LEED®'s newest neighborhood-based green design standards, led by some of the region's foremost experts. LEED-ND® (Leadership in Energy & Environmental Design, Neighborhood Development) was developed in partnership with the US Green Building Council, Congress for the New Urbanism and the Natural Resources Defense Council. Workshops will cover: Smart Location & Linkage, Neighborhood Pattern & Design, Green Construction & Technology and Regional Priority Credit.

The event is sponsored by the Sustainability Institute at Molloy College, the US Green Building Council, Vision Long Island and CNU-NY.
