News from the LI Section of the NY Metro Chapter of APA

WELCOME

Welcome to the premier edition of our LI Planning News. We will send this monthly with news of upcoming [LI Section of NY Metro APA](#) events and information from other organizations that might be of interest to planners.

AICP CM PROGRAM – August 13 - 5:00-7:15 PM

Please join the LI Section for two informative recorded APA presentations: "Economics of Density" (1.25 CM) and "Teardowns, Monster Homes and Appropriate Infill" (1.0 CM) and earn 2.25 AICP credits. There is a fee of \$20 for the two presentations including a break for pizza in between (\$10 if you only attend one). This is a simple and effective way to stay abreast of new developments and best practices and earn AICP credits. The presentations will be hosted by [Cameron Engineering](#) at their Woodbury office at [100 Sunnyside Blvd](#). Please RSVP to LongIslandSection@nyplanning.org

FALL PLANNING CONFERENCE – October 23

Please save the late afternoon and evening of October 23 for this year's Suffolk County Planning Federation Fall Conference, co-sponsored by the LI Section of NY Metro APA. Nine sessions are planned in the following preliminary topics: Planning Case Law, Ethics, Transportation, Workforce Housing, LI's Mega Projects, Energy, SEQRA, Zoning Board Fundamentals, and Planning Board Fundamentals. The Conference will satisfy the continuing education requirements for Planning and Zoning Board members. We will be applying for AICP CM credits for most of the program. Details to follow soon.
